

# How to Access Online Class in WebEx Webinars

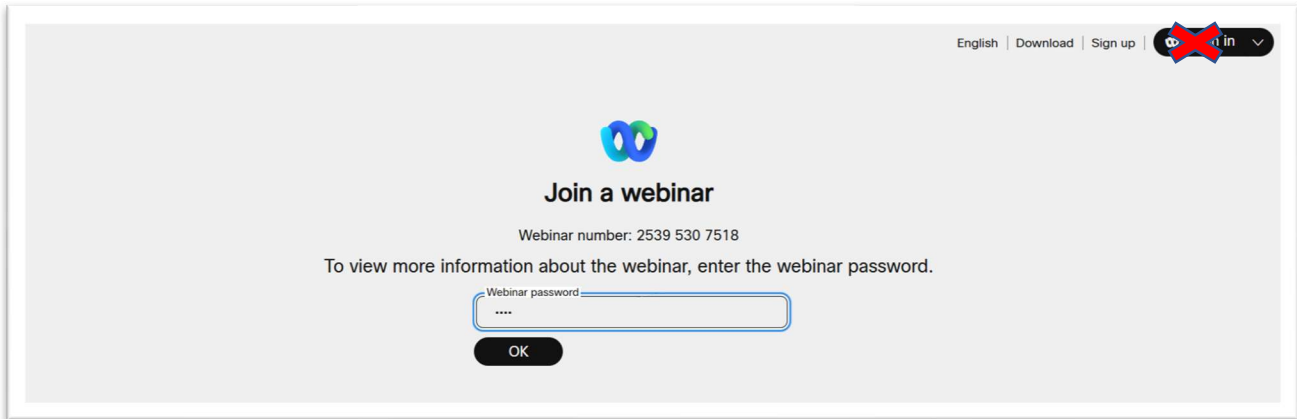

Revised March 2026

**Note: You do not need your own WebEx account to participate in ICCIE classes**

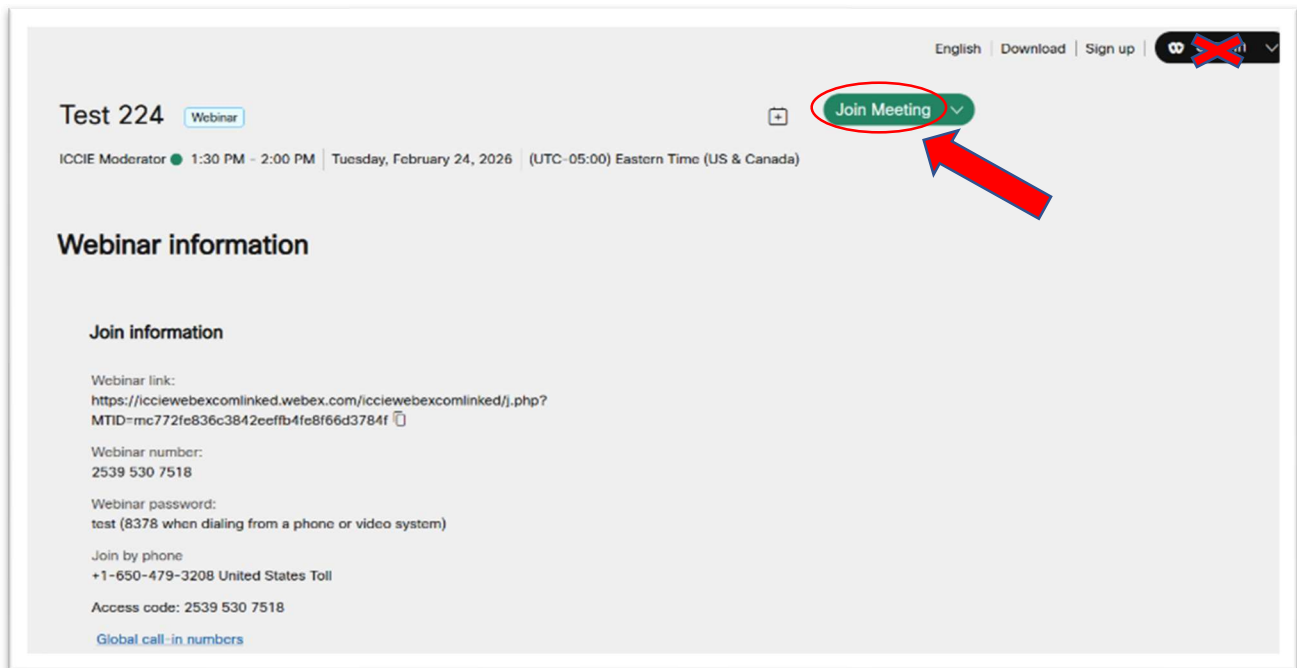

- Go to **iccie.webex.com** (we recommend you do this 5-10 minutes prior to the start of class)
- In the area marked “**Enter meeting information**” in the middle of the screen, type the **Session Number**
  - *The Session Number and Password are provided in the “Important Information” email sent to you from ICCIE*
  - You do not need to click Sign In
- Then click “**Join**”

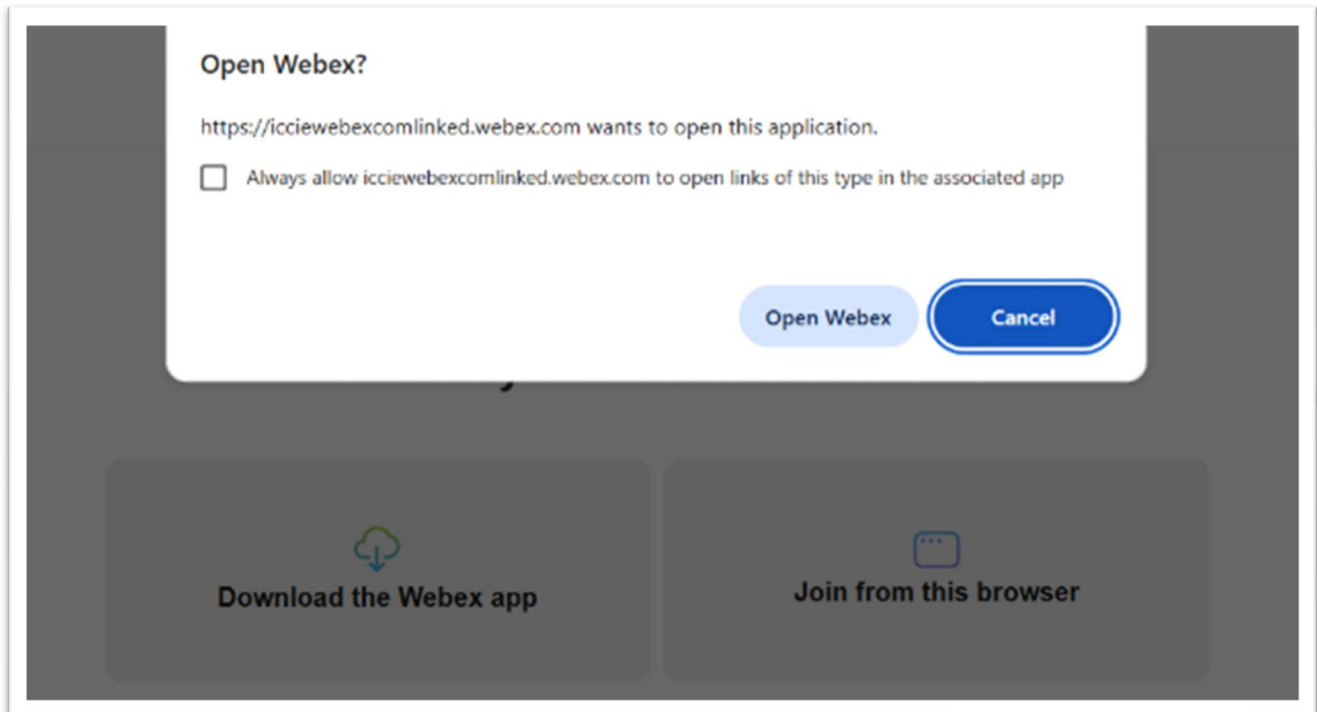

- Enter the password and click “OK”

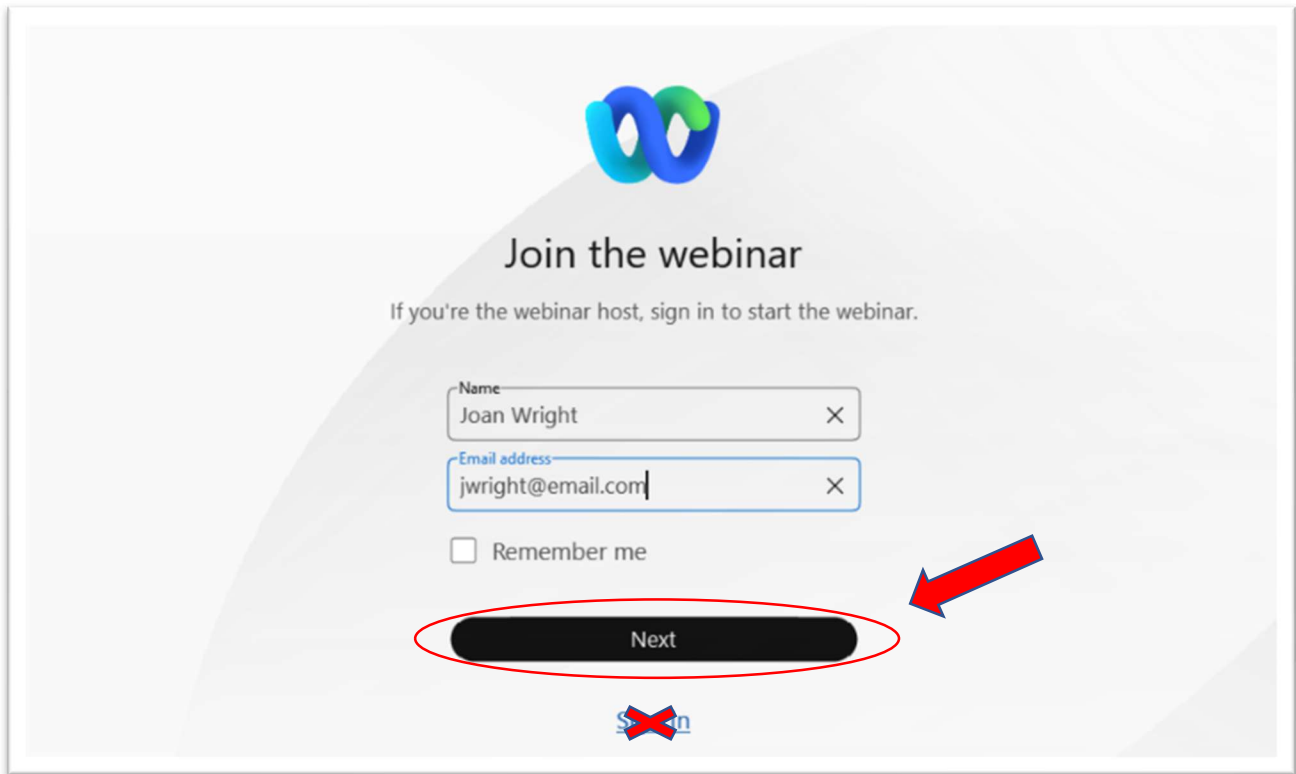

- Click “Join Meeting”

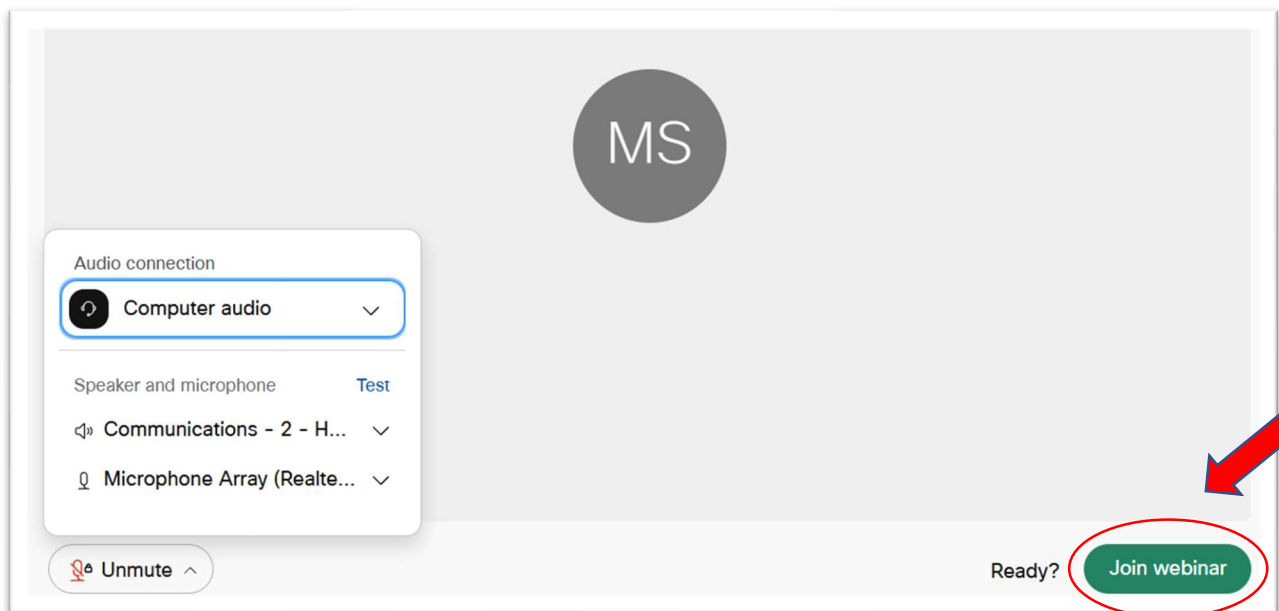

- If the following screen appears, you will need to choose between the two options:
  - If you want to use the Webex app, click “Open Webex” (or sometimes it says “Allow”)
  - If you do not want to use the Webex app, click “Cancel” and then click “Join from this browser”

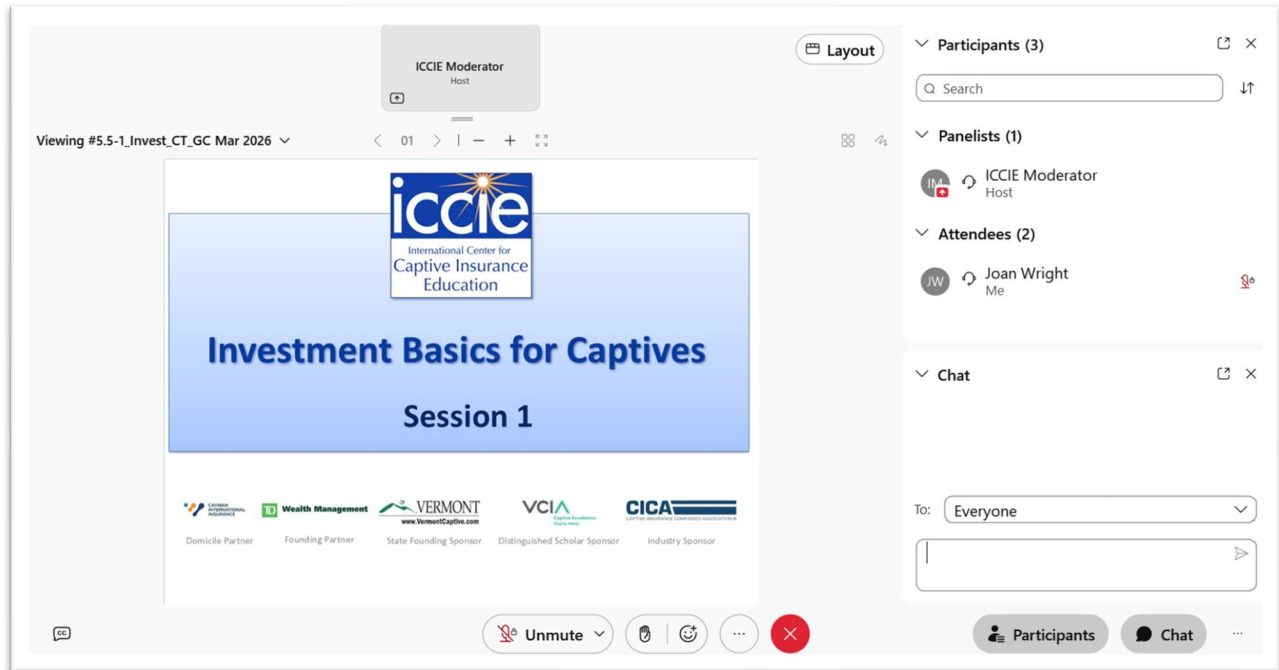

- Enter your Full Name and Email address (for attendance purposes)
- Then click “**Next**”

- Click “**Join webinar**”

- The class screen will look similar to this
